Guest Speaker: Optimist Club presentation

Motion to approve minutes from last meeting-1st-Katie Schwartz, 2nd-Jen McFarlin

Treasurer's report-we made about \$14,000 profit on Fun Run, which was more than last year! As decisions are made about the district buildings/boundaries for next year, what to do with any possible excess funds at the end of the year will need to be discussed.

- A. BMX assembly-went well, teachers and kids enjoyed it. No plans for any future assemblies at this time.
- B. Family Activities-Science Night went well, lots of attendees. Movie Night this Friday, will be outside weather permitting. Trunk or Treat October 20th, only have 6 trunks. Will need at least 20 trunks to hold event.
- C. Staff Appreciation-conference sign up is out. Natalie will put sign ups on Weebly and Facebook (for both trunk or treat and conference meals). Staff 'tell me about yourself' forms are in, will be possibly be scanned and uploaded to put on weebly? Lots of parents would be interested in this info. November appreciation-thankfulness theme.
- D. Silent Auction- still looking for local businesses to donate. Planning to have baskets/auction items out at conferences for initial bidding.
- E. Student Directory-some parents have not gotten them. We will remind teachers/investigate where they have gone. THANK YOU JEN MCFARLIN for all your hard work!!
- F. Spiritwear-only a few orders have been placed so far. Some problems with website, it is somewhat confusing. It was suggested to have a tutorial of some sort, with screen shots of how to order. Melanie will look into doing this.
- G. Spirit sticks-sale at lunch this Thursday, Halloween and retired grade level. If not sold out, we will sell them at conferences too. Fun Run spirit sticks went out last Thursday.

Old Business: Amazon Smile is now up and running, link your Amazon account to the school and we will receive rewards.

New Business: Parent Jenine Abdullah-Raheem had brought up the suggestion of having a credit union do a bank account program for students. The board decided that, due to the uncertainty of where students will be next year, it would be best to hold off on starting this type of program.

Meeting adjourned-7:54
