"Under the Big Top" Intersession was a great success; the kids loved the circus theme.

Veteran's Day was a special day for the 2<sup>nd</sup> graders; a parent who just returned from duty, did a presentation with pictures and also presented a flag to the school that was flown (on display in entryway).

Food drive brought in over 4,700 items, all items collected stay in Lake Orion. This is a great life lesson for our kids to learn.

GAP activities are up and running again.

It's that time when the rest of the school year just flies by with all of our breaks.
